CAMP HATTERAS
RV RESORT AND CAMPGROUND

The scenery will take your breath away as you enter Camp Hatteras, the Outer Banks' premier camping resort in the historic village of Rodanthe, North Carolina. Besides being a world-class RV resort, Camp Hatteras has the bonus of two spectacular water views. One area of the resort provides a thousand feet of uninterrupted Atlantic shoreline, while the other section features a thousand feet of waterfront on historic Pamlico Sound. The resort is located a few miles south of Nags Head Beach, one of the country's most famous outdoor-recreation areas.

Here you'll find just about every kind of water activity you can imagine on the ocean and sound, including sailing, surfing, water-skiing and much more. Three swimming pools—one, an indoor heated pool with a Jacuzzi, and another, a children's pool—will compete for your attention with the nine-hole miniature golf course, the playground, basketball and tennis courts, horseshoes, shuffleboard and three stocked fishing ponds.

With so many activities at the resort, you may be tempted to skip the area's attractions. That would be a shame, though, as less than an hour's drive will take you to the Wright Brothers Memorial, Cape Hatteras National Seashore and Fort Raleigh Historical Site. Or you may choose to wander the area for memorable images of lighthouses that symbolize this region.

Rich history, captivating scenery and excellent facilities combine to make Camp Hatteras a superb vacation choice.
