It's easy to get back to nature at Lake of the North Resort, a Coast Deluxe property on the banks of Michigan's Lake George. Set among tall oak and evergreen trees beside the tranquil 120-acre waterway, Lake of the North Resort lives up to the name of its parent company, Outdoor Adventures, owner of five Michigan resorts that participate in the Coast to Coast network

Once you've settled into your wooded campsite, take a stroll to the picnic area to barbecue dinner on the grill and get to know your neighbors. For family fun, make your way to the playground and miniature golf course or get a game going over at the volleyball court or horseshoe pit. Indoors, you can join a card party in the game room and check out the resort's calendar of planned activities and theme events.

When it's time to cool off, tote your towels and sunscreen to the outdoor pool or the sandy shore. You can borrow one of the resort's rowboats to get out on Lake George and cast for bullhead, bass, panfish, perch, pike and rainbow trout.

Lace up your walking shoes or ride your bike to the nearby Ogemaw Hills Pathway, a scenic 13-mile trail. If you're an off-road-vehicle enthusiast, the county allows street riding to and from the extensive trail system near the resort. Just a short drive away, five 18-hole golf courses tempt golfers to hit the fairways and greens.
