

# BROWNSVILLE WINTER HAVEN RESORT

A first-class resort dedicated to the winter Texan and retiree

**B**rownsville Winter Haven Resort is famous for its ABCs, because the resort's activities' department is so "active" that they have to list their numerous events alphabetically. Choose from activities such as aerobics, dance lessons, gardening, pickleball, quilting, and volunteering. Participate in one class or fill up your day. Or, if you prefer, just relax at your campsite in the gated community that's nestled among towering palm trees in Brownsville, Texas.

Once past the 24-hour gate host, travel on paved streets past beautiful landscaping on your way to landscaped pull-through sites with cement pads, and full hookups for 30 and 50 amps. You can also take advantage of Wi-Fi and cable TV with more than 70 channels. Make sure to bring your bathing suit to take advantage of the three heated swimming pools and heated therapeutic spa. Take advantage of the loaded activity calendar or plan your own calendar. Meet old and new friends at the billiard room, bocce ball courts, shuffleboard courts, tennis court, golf chipping range, or cast your line at one of the stocked fishing resacas. You can slow down and relax at the clubhouse, play cards, or check out a book at the lending library. Brownsville Winter Haven has something for everyone.

Of course, there's plenty to do off-site. Bring your binoculars and your life list because the Rio Grande Valley is a migration flyway between North and South America. More than 500 species of birds and 300 species of butterflies migrate through the Rio Grande Valley. Get up close to more than 1,600 animals at the Gladys Porter Zoo and enjoy acres of lush tropical plants.
