

BRIARCLIFFE RV RESORT

Stay and play at this South Carolina Deluxe resort that includes sun, sand, and nearby golf

Nestled in the heart of the Grand Strand in beautiful Myrtle Beach, South Carolina, Briarcliffe RV Resort offers something for everyone. The area is a four-season vacation destination with sunny weather, sandy beaches, manicured golf courses, and four-star dining. But it's not just its location, Briarcliffe RV Resort offers onsite amenities to rival any other RV resort.

Highlighting Briarcliffe's amenities is the 85-foot oversized Olympic swimming pool with cool deck and lounges to offer swimming or just lying in the sun. The view from the pool overlooks the Atlantic Intracoastal Waterway. Outdoor activities include an 18-hole miniature golf course, shuffleboard, basketball court, and a youth playground. The resort also offers an all-denominational church service every Sunday.

"Visitors are most excited about being adjacent to Barefoot Landing," says Kelly Hammond, resort manager. "Our resort has an entrance into the Landing's back parking lot, which has shopping, dining, and entertainment. Our guests can walk or take their golf carts, which they can also use to drive to the ocean."

Take your clubs to one of the nearby golf courses—nearly 100. Some are considered the best golf courses in the South. Spend time in one of the golf course sand traps, or head east and enjoy the sand and water along the 60 miles of wide, soft sandy beaches.

If you choose to leave the resort, you won't have to travel far to find entertainment and attractions for everyone; endless shopping at outlet malls, specialty boutiques, flea markets and specialty stores; exquisite dining; and thrilling water sports.
