

CASCADE MEADOWS RV RESORT

Cascade Meadows RV Resort’s setting is a premiere Oregon recreation area

Imagine relaxing at your RV site and having a view of Mount Bachelor and the Three Sisters Mountain Range. On top of that, your site at Cascade Meadows RV Resort in La Pine, Oregon, is a pull-through site—all are pull-throughs. Enjoy the green lawns in between each site that give privacy with room for a picnic table to enjoy a meal outside or just sit around and play cards or talk.

But there are more reasons to turn your RV north to Central Oregon’s Cascade Mountain Range to stay at the resort. Enjoy the luxurious pool and spa, comfortable clubhouse, horseshoes and playground area, free Wi-Fi, showers, rest rooms, and laundry facilities. And something that’s hard to experience at many resorts—fresh mountain air at 4,200 feet.

And new big things are coming at the resort in the near future, says Vice President Kyle McLeod. “We’ll be doing a lot of big projects and changing the image, which will turn

it into the 5-star resort it needs to be.”

You can plan to stay at the resort and luxuriate in the ambiance, or you can travel to one of the many nearby attractions. Bring your fishing gear to take advantage of the more than 150 crystal clear fishing lakes. The Big and Little Deschutes rivers yield prize steelhead and trout. Paulina Lake and East Lake, which are only 13 miles from the resort, offer great fishing and boating. Hike, bike, or horseback ride the many trails of the Paulina Range and Deschutes National Forest.

Bring your golf clubs because you can play at more than 20 golf courses in the area. The resort is 22 miles south of Bend, 50 miles to the town of Sisters (a must see experience) and 28 miles from Mount Bachelor Ski Resort with its sightseeing chairlift ride to the summit.
