

LOST VALLEY LAKE RESORT

You'll find yourself having fun at Lost Valley Lake Resort

Lost Valley Lake Resort in Owensville, Missouri, concentrates on providing activities and amenities for every personality. Where else have you had your choice of visiting a horse stable for an afternoon ride or making an appointment at a spa for a facial or massage? On another day arrange to meet friends in the Cellar for a game of cards. It's all that and more.

The resort's 24-hour security provides a safe and fun environment for you and your family. Even on a busy holiday weekend, you can still find a little place of your own if you want. With 537 beautiful acres, it's easy to grab a lawn chair and enjoy the outdoors. But if tranquility isn't what you came for, you only have to join in some of the activities.

"RV camping families can live the outdoor dream. We have something for every age, from fishing and boating to horseback riding and swimming. Family memories made here last a lifetime," says CEO Tom Fannon.

The new Lake Expo is a 44,000-square-foot building of fun. It includes an arcade, indoor mini golf, basketball and volleyball, shuffleboard and pool table, ballroom, adult lounge, movie theater, day spa and fitness center, and meeting and rental rooms. Enjoy two indoor pools, Jacuzzi, sauna and kiddie pool. Just outside are tennis courts.

At the aquatic center, take a dip in the outdoor pool or two beach areas with slides. Don't forget your fishing gear because there are two large lakes and three fishing ponds stocked with catfish, bass, bluegill, and crappie. Take the trail less traveled and explore nature on the back of a horse, or enjoy a hayride and a bonfire. No matter what you choose to do, Lost Valley Lake Resort is definitely a destination resort.
