

MARINA VILLAGE RESORT

Head to Marina Village Resort and grab a lakeside RV site

There may be quite a few reasons to visit Trinity, Texas, but the best reason to visit is Marina Village Resort nestled on beautiful Lake Livingston. The lake is one of the largest lakes in the state, noted for its white bass population. Of course you'll find other fish including largemouth bass, bluegill, catfish, striped bass, and crappie. Fish from the resort's fishing piers and use the convenient fish cleaning station. And if you don't catch the big one, dine at the Lakeside Grill, which is open during the summer season.

But if fishing isn't your idea of the best vacation, there's plenty else to do. In addition to relaxing by your RV in your spacious site, dip into one of the two swimming pools and hot tub. Bring your boat and take advantage of the boat dock. Bike and hike nature trails and play on the playground. If you came without your RV, rent one of the resort's cabins or RV rentals.

Marina Village Resort shares amenities with their neighboring subdivision, Westwood Shores, which include tennis courts, an 18-hole golf course, country club, the 19th Hole Bar and Grill, a golf pro shop, and another swimming pool.

"The resort is constantly working to upgrade," says Barbara Cook, board member. "We're in the process of moving all sites to 50-amp and resurfacing pads and roads one loop at a time."

Activities are scheduled every weekend from Memorial Day to Labor Day. Regularly scheduled activities include bingo, arts and craft shows, barbecue cook-off, bicycle parade, pet parade, live bands, and many more family-oriented activities. Ride the tram on major holidays to experience the Wet and Wild Tram ride.
