

MILLBROOK OUTDOOR RESORT

Millbrook Outdoor Resort — where generations of memories have been made

Whether you're looking for adventure, peace and quiet, or quality time with those you love, Millbrook Outdoor Resort in Jefferson, Ohio, invites you to experience that and more at their spacious resort. Enjoy Mother Nature amid 120 acres of woodlands and rolling acreage, and experience first-class amenities and planned recreational activities for all ages. As for accommodations, if you're without your rig, choose to stay in a luxury villa, park villa, or rustic lakeside cabin.

Onsite there are too many amenities to list, but here are a few: indoor pool, health club, sauna, teen center, entertainment center, sand volleyball, miniature golf, basketball courts, and shuffleboard. At the 10-acre stocked recreation lake, enjoy row boats, paddle boats, kayaks, water volleyball, and fishing docks. There are dozens of events scheduled around food such as barbecues, clam bakes, taco and tequila nights, Hawaiian luaus, and pig roast.

"We have members that have been coming here for 30 years. Ask them what they like about the place and they won't mention a single amenity. They simply say, 'It's like coming home every time we visit,'" says Jack B. Schweitzer II, owner.

And the kids aren't forgotten. They'll enjoy kids' crafts, children's Olympics, bike parades, and coloring contests. Adults can meet and greet at wine and cheese tastings, bingo, poker tournaments, and winery tours.

If you choose to drive offsite, there's plenty to do. Take walleye charters while visiting Ohio's largest recreation lakes: Pymatuning, Mosquito, and Lake Erie. Hike or bike miles of paths at the Western Reserve Greenway Trail. Tour Ashtabula County's famous covered bridges, including the nation's largest, stretching 613 feet across and 93 feet above the Ashtabula River.
