

## CUTTY'S OKOBOJI RESORT CLUB

## Families thrive at this Iowa resort because there's something for everyone

There are a lot of reasons to head your rig toward this beautiful spot in Spirit Lake, Iowa. Cutty's Okoboji Resort Club is located within the glacier-carved lakes in the Iowa Great Lakes region and offers gorgeous scenery and lots of water fun. You can boat, fish, swim, sail, water-ski, parasail, canoe, kayak, wakeboard, or whatever other watery pursuit you can imagine. The depth of West Okoboji Lake and its population of yellow perch, bluegill, and walleye make it a popular Midwestern fishing destination.

But there's no reason to ever leave the grounds of the resort. Relax at your roomy full-hookup site, rejuvenate in the indoor swimming pool and hot tub, and have fun with a round of miniature golf, shuffleboard, or horseshoes. For something more strenuous, organize a sand volleyball game or a pickup basketball game. The small lake can be explored in a pedal boat.

According to the administration, the resort's activities

department sets the property apart from other resorts. Throughout the year there are hundreds of different activities and events ranging from world-class entertainers and shows to fantastic one-of-a-kind festivals. And the activities department is constantly changing and improving offerings to ensure members have the absolute best experience possible.

"Cutty's Okoboji Resort Club is committed to being a provider of quality customer service and family recreation for our owners and guests," says General Manager Blake Feil.

The staff specializes in fun for all ages, unforgettable experiences, and lifelong memories. Whether you're bringing the kids, or you're just a kid at heart, Cutty's Okoboji will keep you coming back for more. Relax and leave the stress of the world behind. It'll be there when you get back.
