

MOUNT PLEASANT RESORT

The previous campground was leveled to make room for the new resort

If you like things that are brand new and pristine, head your rig to Mount Pleasant, Michigan, and you'll be some of the first people to luxuriate in one of Outdoor Adventures' newest resorts—Mount Pleasant Resort.

“While it is one of the newest resorts we have to offer, Outdoor Adventures Mount Pleasant has quickly become one of our guests' favorites,” says Communications Director Deanna Campbell. “With a brand new, large swimming pool and hot tub, a lake with a sandy beach (and a spot for your furry friend to play in the water), an energetic activities staff, and large full-hookup sites, this resort has everything you need to enjoy your getaway. If you decide to venture out of the resort for fun, Mount Pleasant has no shortage of things to keep you busy.”

Onsite, in addition to new facilities, meet old and new friends at the resort's game room or enjoy horseshoes and volleyball. If you forget the salt, visit the camp store for any provisions you may need.

The resort is centrally located and is a quick hop off the highway. Mt. Pleasant has a casino, a water park, and hotel with big-name concerts.

The area's rich American Indian heritage, championship golf courses (15 nearby), specialty shops, and scenic parks make the Central Michigan area a great destination.

For adventure on the water, take a scenic canoe trip down the winding Chippewa River, which is a pleasant scenic river that winds through the fields and forests of Michigan's heartland.

If history is your passion, visit the Zübiwing Center, which is a museum and cultural center built to share the history of the Saginaw Chippewa Indian Tribe of Michigan. Zübiwing means “By the River.”

Mt. Pleasant's Central Michigan University is also the venue for art shows, theater, musical performances, and university sporting events.
