

# RUSHMORE SHADOWS RESORT

## A premier resort found in the land of the big pines and the bigger monuments

If seeing some gigantic monuments and buffalos set among tales of yesteryear interests you, then head your RV to Rushmore Shadows Resort in Rapid City, South Dakota. Conveniently located on Highway 16, just minutes from Rapid City, Keystone, Hill City, Custer State Park, and Mount Rushmore, means there's plenty to explore outside the confines of this premier resort. But there's a lot onsite, too.

"Things we are excited about this season include our 45 new sites," says Gina Rose, Director of Operations. "They are all cement pads and have asphalt and 50 amp electric. Most of the new sites are also pull-throughs."

"What do people love about our resort?" Rose asks. "Comments that have come back to us this year from our guests are: 'Beautiful, well cared for.' 'Friendly and helpful staff.' 'Clean.' I think these types of comments speak for themselves."

Once you're parked on your spacious RV site, you can just sit back and relax or discover all that's available to you in this private and secure resort. Jump in and cool off in the pool that's for kids and adults. Challenge your family or new friends to a game of mini-golf on the brand new course. Throw some shoes at the horseshoe pits or roast some marshmallows at the bonfire. For a little more exercise, rent a bike and tour the area. If you've brought your best friend of the four-legged variety, check out the enclosed dog run, which ensures those furry family members love Rushmore Shadows as much as you do.

The Black Hills of South Dakota were recently rated one of the best family vacation spots in the United States. Visit nearby Mount Rushmore and Crazy Horse Memorial, Custer State Park, and Sturgis—known for its annual motorcycle rally.
