THE HIDEOUT RESORT AND GOLF CLUB

Combine RVing and golfing for the perfect vacation

Situated in the heart of Central Texas near Lake Brownwood, The Hideout Resort and Golf Club offers a one-of-a-kind experience for golfers and their families. The Hideout has already gained a reputation as one of the top golf destinations in the area. The 18-hole championship golf course features well placed bunkers, water features, and flawless bentgrass greens providing a challenging, yet relaxing round of golf for all skill levels. Six well-appointed guest rooms and a resort style pool make The Hideout Golf Club & Resort a complete package for your golf outing or a special event.

"The RV sites include 50 amp and 35 amp electricity, sewer and water," says JR Newman, Project Manager. "Most will be pull-through and include a patio and picnic table. RV sites are right across the street from the golf course."

Amenities include an 11,000-square-foot lodge, a 55-foot by 95-foot swimming pool with spa, and for the little ones, a kiddy pool. Keep your galley pristine by dining at the Hideout Golf Club Restaurant that serves breakfast, lunch and dinner. And if you choose to travel without your rig, rent one of the six lodge rooms or one of the newly-built fully-furnished cabins.

In addition to the amenities onsite, visitors will enjoy nearby Lake Brownwood. Don't forget to bring your fishing gear because this reservoir is home to a wide variety of fish—largemouth bass, white bass, stripers, white crappie, yellow cat, perch, and gar. Bring your boat and enjoy skiing and a variety of water sports. Pack binoculars and add to your birding life list: wild turkey, greater roadrunner, cactus wren, canyon towhee, rufous-crowned sparrow, Mississippi kite, black-chinned hummingbird, and painted bunting, to name a few.

Nearby, visit Lake Brownwood State Park and revel in the walking trails, boating, water sports, and fishing.
