

THE PRESERVE OF TEXAS

Visit the perfect habitat for fishing and so much more

Once through the charming welcome center gate of The Preserve in Cleveland, Texas, you'll find yourself within 2,000 acres of spectacular natural environment. The resort encompasses five fishing lakes, more than a mile of white sandy beaches, an equestrian center, miles of hiking and biking trails, a water park and recreational activities for all ages. Combine the beautiful rural setting with a sunny, warm Texas climate and you've got the ticket for a fabulous destination vacation.

"The Preserve of Texas is where special memories are made," says Cynthia Harrison Wallach, Owner. "Our 2,000 lush, green acres offer RVers and their families a gorgeous setting with lakes, beaches, equestrian facilities, pools, water parks, and hiking trails ... it's a nature lover's dream."

The Preserve provides the perfect habitat for fishing and the lakes are thriving. Bring your boat and take advantage of the lakes' boat access. Pack your fishing gear and head out to catch the big one!

In addition to more than 40 miles of walking, hiking, and biking trails, the resort is a protected game preserve filled with natural wildlife. Get up close to many species of birds, deer, and more by accessing the equestrian center that has more than 20 miles of riding trails.

Relax or party at one of the large outdoor pavilions with ceiling fans. Meet your friends around one of the barbecue stations that include eating areas and picnic tables. After dark, gather 'round one of the fully stocked fire pits.

Other amenities include three swimming pools, on-site dog park, new playground, pickle ball courts, and horseshoe pits. Leave the cooking to someone else while dining at the restaurant, opening in 2017.

Offsite, you're just an hour from Houston or Beaumont, and much more.
