

# BLUE MESA RECREATIONAL RANCH

## Amazing mountain hideaway in Colorado

Blue Mesa Recreational Ranch in Gunnison, Colorado, provides a perfect base camp to explore nearby natural wonders. Black Canyon of the Gunnison National Park is to the west, the West Elk Mountains to the north, the San Juan Mountains to the south, and so much more. But it could also be your vacation destination, a place where you'd never leave the gates of the resort.

Outdoor activities include miniature golf, horseshoes, basketball, shuffleboard, and a playground. Don't forget to bring your fishing equipment to try your luck at the fishing pond. An indoor swimming pool, hot tub, and sauna are accessible in any weather.

The main clubhouse is the place to meet old and new friends. There's an assembly hall for dinners, dancing, entertainment, and crafts. The patio is perfect for barbecuing. The Saturday morning craft sale and Sunday morning non-denominational church service are also held in the clubhouse.

The adult clubhouse is set up for card tournaments, pool

tables, puzzles, and other activities. Enjoy the outdoor swimming pool, hot tub, and extensive outdoor patio. Take advantage of the free Wi-Fi throughout the ranch.

If you've traveled without your rig, Blue Mesa Ranch cabins give you a choice of rustic cabins in the trees or park model styles. Both offer clean and cozy accommodations and come equipped with pots and pans, dishes and utensils. Newlyweds will love the honeymoon cabin with hot tub. There's also a family reunion cabin.

Offsite, the Blue Mesa Reservoir is the largest body of water entirely in Colorado. Created by Blue Mesa Dam, the lake is 20 miles long and has 96 miles of shoreline. Blue Mesa Reservoir offers many types of water activities including boating, sailing, fishing, wind surfing, water skiing and ice fishing in the winter. There are two full-service marinas, a restaurant, and visitor center for area information.
