

# OCEAN BREEZE RV RESORT

## Hundreds of acres of shady forest minutes from the beach

At Ocean Breeze RV Resort in Ocean City, Washington, you can have it all: sun, sand, ocean, and hundreds of campsites surrounded by 170 acres of shady forest. But there's more. In addition to tree-lined acres and spacious RV sites, pack your swim suit to take advantage of water sports—both in the onsite swimming pool and nearby ocean.

There are other opportunities to meet old friends and make new ones. Melt your cares away in the sauna, and play games in the clubhouse. Keep up your exercise plans by walking or running on the walking trails that can also be used for biking. Play basketball on the multi-purpose sports court. Your children can also be entertained at the kids' game room and playground. For leisure time, check out the book and video library or relax in the clubhouse with adult lounge.

If you travel without your rig or have guests, there are three rental cabins onsite.

Nearby Ocean City State Park features ocean beach, dunes, and dense thickets of shore pine. Migratory birds are a popular attraction.

Within a short drive, try your luck at Quinault Beach Resort Casino, a Vegas-style casino with more than 700 slot machines, a poker room, and 12 table games. In the area, there are more than 50 miles of pristine beaches.

If you drive further, explore Grays Harbor National Wildlife Refuge, located within Grays Harbor. It's one of four major staging areas for migrating shorebirds in the Pacific Flyway. Up to one million shorebirds gather here in spring and fall to feed and rest. As many as 24 species of shorebirds use Grays Harbor National Wildlife Refuge. The accessible boardwalk offers interpretation and education programs for the more than one million travelers that pass by each year on their way through the gateway to the Olympic Peninsula.

Grays Harbor's beautiful ocean beaches are also home to some of the best Razor Clam digging on the West Coast. This is a fun activity with tasty dividends that families and friends can enjoy together. Plus the incredible scenery and sunsets can't be beat.
