

CHERRY VALLEY LAKES RESORT

Stay and play at the gateway to Palm Springs

Immediate freeway access makes Cherry Valley Lakes Resort the gateway to Palm Springs. Only 10 minutes west of Cabazon's Morongo Casino and two major outlet shopping centers, Cherry Valley Lakes Resort is a perfect choice for all overnight or full-time RV enthusiasts.

Amenities abound. Relax at the spacious clubhouse or meet new friends and old ones at the many hosted activities: movies, pancake breakfasts, steak dinners, and scheduled games. Don't forget to pack your swimsuit and pool toys to splash and play in the heated swimming pool or soak in the oversized, covered Jacuzzi. Bring your fishing gear to land the big one in the stocked fishing lakes. Even the little ones can enjoy catch and release fishing in their two fully stocked catch-and-release ponds. Get some exercise at the horseshoe pits, volleyball, tennis, and basketball courts.

In addition to all of the beauty surrounding Palm Springs and within the secure, gated ranch, you'll also find large laundry facilities, clean bathrooms and showers with spacious dressing areas. And if you have to leave the resort, take advantage of

the year-round RV and trailer storage.

Your children or grandchildren are pampered at the resort. You'll love the resort's fully staffed Kids Club. Parents have an opportunity to relax on their own and be guaranteed their kids are safe and having the time of their life.

If you're traveling without your rig or have friends or family meeting you, choose from the spacious loft cabins that sleep 4-8 and are fully equipped with bathrooms and kitchenettes. They have picnic tables and barbecue facilities adjacent to the sites.

Options abound for sightseeing in the area. Hadley Fruit Orchards in Banning is world famous for its top quality dates, dried fruits, nuts, jams, trail mix, cereal, baked goods, wine and gifts. Palm Springs, only a 30-minute drive, is the ultimate desert playground for outdoor adventure, arts and culture, golfing, gaming and entertainment. Nearby Lake Perris offers a multitude of recreational options.
