

NORTH SHORE LANDING

Lake-view sites and railroad themes within one hour of Atlanta

You don't have to be into trains to find joy at this Greensboro, Georgia, resort, but it helps. The 55-acre North Shore Landing features 23 authentic railroad boxcars, club cars, and cabooses. In addition to their use as offices and shops, 10 train cars offer comfy accommodations for overnight stays. And RVers are treated to spacious RV sites with full hook-ups and Wi-Fi.

The "landing" part of the resort's name refers to the fact the campground is situated on Lake Oconee, a reservoir with 374 miles of shoreline. Visitors to the resort can take advantage of the private white sand beach, boat slips and launch, and fishing—so don't forget to bring your fishing gear, swimsuits, and water toys.

Lake Oconee not only provides a movie-like backdrop but the many recreational activities you'll enjoy will keep your interest for hours. Fishing, boating, or just wandering on the shoreline, it's an amazing spot. It's also in close proximity to the lovely town of Greensboro, which will be a destination you will love to explore.

In addition to many onsite amenities, you'll have a chance to meet old friends or make new ones at the weekly themed planned activities. These include socials, indoor and outdoor special games, corn hole, horseshoes, fishing tournaments, cards, games, potlucks, dances, entertainment, contests, kid and adult crafts, special holiday-themed events and nondenominational church services.

Other amenities include a 4,000-square-foot clubhouse, two pools, gated security, walking trails, four entertainment pavilions, and covered picnic areas. Play games galore in the clubhouse game room or outside on the game courts.

Offsite, the nearby town of Madison offers an array of shops and historic attractions. Madison is steeped in Southern history and tradition, and rich with elegant antebellum homes and churches. Lake Oconee is home to 10 championship golf courses designed by some of the greatest golf course designers in the world.
