

NIAGARA'S LAZY LAKES RESORT

Celebrate 33 years with the Swift family

Although the region is packed with natural wonders, the best thing about staying at Niagara's Lazy Lakes Resort in Lockport, New York, is the family atmosphere. For more than 33 years, the Swift family has been welcoming visitors to their resort. In fact, when you enter the resort, you'll see a sign that says, "Welcome Home."

Lazy Lakes Resort has two spring-fed lakes for boating and fishing. The largest pond is full of big bass for catch-and-release fishing. For no fee you can take out the row boats, kayaks, canoes, or splash boats. Everyone enjoys the two in-ground heated swimming pools with lifeguards on duty.

The 4,000 square foot main lodge is available for numerous resort activities for all ages. Enjoy breakfast in the lodge on Saturday or Sunday, as well as weekend barbecues in the outdoor pavilion. All campsites have city water, 30-amp or 50-amp electric hookups, picnic tables, and fire rings for campfires.

Should you forget to bring something, the "Country Store" at Lazy Lakes is well stocked. For your pleasure, enjoy shuffleboard, row boating, horseshoes, and nine beautiful one and two bedroom rental cabins.

Of course you can't ignore the fact that the resort is within 15 minutes of Niagara Falls and 10 minutes from the Niagara River and Lake Ontario. You can also visit nearby Lockport.

According to Stewart Scott, a Canadian traveler in 1826, "As Niagara Falls are the greatest natural wonder, so Lockport, its locks, and the portion of the Erie Canal adjacent, are considered to be the greatest artificial curiosity in this part of America." Proposed in 1808 and completed in 1825, the canal links the waters of Lake Erie in the west to the Hudson River in the east. An engineering marvel when it was built, some called it the Eighth Wonder of the World.
