

# RUSHMORE SHADOWS RESORT

## World class resort amid national monuments

If you enjoy seeing gigantic monuments and buffalos set among scenes of yesteryear, then head your RV to Rushmore Shadows Resort in Rapid City, South Dakota. Tucked in the Ponderosa Pine foothills of the Black Hills of South Dakota, the resort offers monumental fun. Located conveniently on Highway 16 just minutes from Rapid City, Keystone, Hill City, Custer State Park, and Mount Rushmore, Rushmore Shadows Resort is the premier local camping destination for visitors to the Black Hills.

Once you're parked on your spacious RV site, you can just sit back and relax or discover all that's available to you in this private and secure resort. Jump in and cool off in the pool that's for kids and adults. Challenge your family or new friends to a game of mini-golf. Throw some shoes at the horseshoe pits or roast marshmallows at the bonfire. For a little more exercise, rent a bike and tour the area. If you've brought your best friend of the four-legged variety, check out the enclosed dog run, which ensures those furry family members love Rushmore Shadows as much as you do.

In addition to beautiful RV sites, including full hookups, there is a choice of cabins in case you came without your rig or you have guests visiting. Take advantage of the convenient camp store where you can pick up forgotten items.

Of course you'll want to venture outside the gates of the resort. Mount Rushmore, within minutes of Rushmore Shadows Resort, is America's shrine of democracy. The memorial features the 60-foot faces of four great American presidents: George Washington, Thomas Jefferson, Theodore Roosevelt, and Abraham Lincoln.

In addition to visiting Mount Rushmore, which is breathtaking, head to Crazy Horse Memorial. The memorial, still being carved, is the world's largest mountain carving. It's considered The Eighth Wonder of the World in progress.
