

# EAGLES LANDING RESORT

## There's plenty to do onsite or offsite at this Oklahoma resort

Eagles Landing Resort is Northeast Oklahoma's premier Grand Lake resort destination. Located on one of Oklahoma's best fishing lakes, beautiful 46,500-acre Grand Lake O' the Cherokees, all types of water sports and activities are available on this magnificent lake.

Resort guests are treated to a beautiful view of the lighted 2,548-foot long, 29-foot wide, four-lane "Sailboat Bridge." The bridge deck curves upward in a parabolic arch about 40 feet higher at the center than at the ends. Tall sailboats can pass underneath.

Once on site, choose from a range of RV sites including pull-through sites, full hook-up sites and nearly 80 lakeview sites. Don't have an RV? No worries, live resort life in one of the recently remodeled cabins including 1 bedroom, 2 bedroom, and 2 bedroom/2 bathroom suite options. Forget something? Check in at the Kountry Store and stock up on groceries, ice and equipment for activities on the resort.

The resort offers plenty of onsite amenities including 9-hole mini-golf, horseshoes, playground, pickle ball court and

soccer field. Pedal boats, kayaks or canoes are available on the fishing pond. Eagles Landing also boasts the largest beach entry pool in eastern Oklahoma. There's even a koi pond and game room to enjoy.

Catch the big one at the fishing pond, on the enclosed fishing dock, or along more than a mile of lake shoreline. Then utilize the onsite fish cleaning station to prepare your catch for dinner. Use the boat launch ramp and take advantage of our first come/first serve boat slips. You can also rent a storage space for your boat or your RV at the resort.

Eagles Landing Resort has an event center available for group rentals, the perfect place to gather your closest friends and family for an event at the enchanting indoor and outdoor settings. There are five state parks around Grand Lake O' the Cherokees, as well as numerous marinas, restaurants, and fishing guides. Native fish include large-mouth bass, white bass, channel catfish, crappie, and bluegill.
