

# UNICOI SPRINGS CAMP RESORT

## Guests feel like it's a home away from home

Nestled in the beautiful northeast Georgia mountains and near the Alpine Village of Helen, you'll experience friendliness inside the gates of Unicoi Springs Camp Resort. The resort is family owned and run with a family atmosphere extended to all visitors.

If the friendliness doesn't win you over, the amenities will. Water lovers will enjoy the two swimming pools and a five-acre fishing lake and pier. Sports enthusiasts will find plenty to keep them busy including basketball, tennis, shuffleboard, miniature golf, billiards, holey board, shuffleboard, pickle ball, and horseshoes. Visit the clubhouse, activity center, and non-denomination chapel. Feel safe with security personnel on duty from 4 p.m. until 8 a.m. daily.

Visit the rustic clubhouse which features a wraparound front porch with rocking chairs, fireplaces inside and out, billiard tables, comfy couches and Wi-Fi. It's a place where guests can just relax and enjoy the serenity.

Enjoy RV sites with level paved pads and a patio or deck. The resort's hundreds of RV sites have full hookups as well as Dish

TV and high-speed Wi-Fi. If you travel without your rig, stay in one of 21 rental units.

Stay onsite and enjoy all the above plus planned activities, or travel offsite and experience all the North Georgia Mountains have to offer. In addition to great shops and restaurants in Helen, there are hot air balloon races, Oktoberfest/Volksmarch, and trout fishing tournaments. The alpine town of Helen takes its inspiration from the villages of Germany, reflected in the architectural style of downtown shops and restaurants. Nearby rivers—the Chattahoochee, Nantahala, Etowah, and Chestatee—are prime places for canoeing, white water rafting, tubing and kayaking. Go bass and trout fishing in area mountain streams, ride challenging and enjoyable mountain biking trails, or pan for gold. Wineries are now abundant in North Georgia if a vineyard visit suits your taste.
