### It's Time to Update Your Coast to Coast Directory Listing

Have you added a new amenity at your facility in the past year, or possibly updated services, sites, or even utilities? We are in the process of updating information for the 2016 Coast to Coast Annual Resort Directory, and we need your help to insure we publish the most up to date information on your park or resort. Please review your listing from our current 2015 Coast Directory and take a moment to verify that all of the information is correct.

- If everything is correct, please fax this page back to 303-728-7312 with “No Changes” checked below.
- If you have changes to your resort or park information, please mark all changes on the attached proof and fax it back to 303-728-7312 along with this page with the box “See Changes Attached” checked below.
- Answer the question below on rental accommodations (added due to growing demand by our members)
- Be sure to enter your park or resort name and city/state in the space provided.

We also welcome any new photo(s) of your resort that you can provide to us. Simply email these to [directory@coastresorts.com](mailto:directory@coastresorts.com) with your resort name and “2016 Coast Directory Photo” in the subject line.
